OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS IN MYSORE, BANGALORE.

Notice dated 2nd September 1937.

It is hereby notified for the information of the public that a wooden booth near the Government Museum has been newly constructed and this is proposed to be rented out for a period of two years for the purposes of selling fruits, sweetmeat, coffee and tea. Sealed tenders are received in this office up to 20th September 1937 at 3 P.M.

The following are the conditions:—

1. An earnest money of Rs. 50 should be furnished to the State Huzur Treasury Officer, Bangalore, with the accompanying chellan forms duly filled in and the fact of such remittance should be clearly indicated in the tender. Tenders not accompanying with this condition will not be considered.

2. The successful tenderer should be required to execute an agreement on a Mysore Government stamp paper of the value of twelve annas.

L. S. DORASAMI,
Offg. *Superintendent.*

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification dated 23rd August 1937.

The attention of the public is invited to this Office Notifications Nos. G. N. 18 and 19, dated the 23rd August 1937, published on pages 1429-1444 of Part VI of the *Mysore Gazette*, dated 2nd September 1937, in connection with the printing and supply of books, forms, etc., and stationery articles required by this department.

Notification dated 5th September 1937.

1. Sealed tenders in triplicate will be received at the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, and the same should be superscribed with the name of the work given below.

2. The plans, detailed estimates and conditions may be obtained at the office of the undersigned at all working hours.

3. The tenders should be in the form of a statement as given below showing rates in figures and in words at which the different items specified will be executed.

4. The tenders may be rejected or accepted in full or in part without any reasons being assigned therefor.

5. The name of the successful tenderer will be posted on the Notice Board in the Office of the Chief Electrical Engineer, Bangalore. No enquiries regarding the acceptance or rejection of a tender will receive any reply. The earnest money of rejected tenders will be returned.

6. Within three days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, failing which his tender will be considered cancelled and the earnest money will be forfeited.

7. The materials to be used should be of the best English or American make and conform to the requirements of the departmental rules and specifications. Samples should be sent with tenders. When the samples are sent, mention should be made of manufacturers' or makers' catalogue.

8. Name of work.—(1) Overhauling of motors, running mains from the new transformer centre to meter board and installing additional lights.

(2) Providing Osira lamps in the Machine Room;

(3) Do do right side wing in Government Printing Press, Bangalore.

9. Last date and time of receiving tender—17th September 1937 at 3-30 P.M.

10. Time and date of opening of tenders in public—4-30 P.M. on 17th September 1937.

11. Earnest money required with the tender—Rs. 250.

12. Time for completing the work from date of accepting the tender—One month.

13. Details of the work to be executed—As per specification enclosed.
